<b>Wed.</b>	Online with class			
<b>Thurs.</b>	Math Skills	Offline Bookwork	Class Teacher Zoom	
<b>Fri.</b>	Online with class			

# Waiver

- o Survey - 103 responses from Parent Body

  - 88% In favor of in person enrichment with remote learning

  - 12% In favor of remote learning only

- o On track for 8/24 submission

  - Due to a COVID database reporting issue at the state level, waivers are not currently being issued, but we will submit our application in anticipation of these issues being resolved. A waiver will not be issued prior to the start of school.

- Grades 7-12 will continue under the current enrichment program offerings until Orange County meets the requirements for a full return to campus.
- Learning Beyond the Classroom will always be available for students requiring distance learning, during any on campus learning scenario.

# Health and Safety

Our robust plans include protocols on facial coverings, appropriate distancing, increased sanitation.

- Morning health survey for staff & students
- Zero tolerance sick policy
- Health training for staff, parents & students
- Small stable cohorts
- Compliance staff members (Elizabeth Jarvis, Erica Torres, Shauna Forsum)
- Staggered drop off/pick up
- Outdoor classrooms

# Adaptive Tuition

When we created the Adaptive Tuition Modeling, we were not imagining the possibility of tonight's proposed Enrichment program. In light of the opportunity of offering students on-campus enrichment programs, the Budget Mandate Group and Board will be reviewing the additional costs of offering on-campus presence and may create an additional Adaptive Tuition Model which encapsulates the scope of the enrichment plan.

# Technology Support

- o Google Classroom
- o Zoom Calls
- o Technical support contact
