Your Teacher

Barbara Cubanski grew up in Chicago, Illinois, where she taught young children in a variety of settings. The birth of her son rekindled her love and interest in working with young children and she began assisting in the kindergarten at the Waldorf School of O.C. (WSOC) in 2000. She completed her teacher training at Rudolf Steiner College and joined the WSOC faculty in 2003. After teaching Pre-Kindergarten for nearly 20 years at WSOC, and leading parent education classes - including the popular Support for the Parenting Journey - Barbara is excited to follow her passion in working with parents and their young children in the Playgroup Program. She holds a BA in Human Development from Pacific Oaks College. Her son attended playgroup through Grade 12 at WSOC, and is a UC Davis graduate. Barbara is passionate about the growth and development of young children and supporting their families on their Waldorf journey.

We are thrilled to offer a Drop-off Nursery to support our parents' needs.

Is the drop-off Nursery the right fit for my child?
