HIGH SCHOOL CHARACTERISTICS

Waldorf School of Orange County (WSOC) is an independent pre-K-12 coeducational, nonsectarian, nonprofit school. WSOC is one of approximately 1039 Waldorf schools worldwide and 43 Waldorf high schools in the U.S. Founded with a single kindergarten class in 1988, the school enrolled its first ninth grade class in fall 2007 and graduated its first twelfth grade class in spring 2011. The Campus is located 45 miles south of Los Angeles and 100 miles north of San Diego.

TOTAL HIGH SCHOOL ENROLLMENT 52 STUDENTS

Class of 2024 15 Students
 Class of 2025 15 Students
 Class of 2026 13 Students
 Class of 2027 9 Students

WSOC is a comprehensive four - year high school serving grades 9-12. Like most high schools, WSOC provides students with a rigorous college preparatory program. However, we do not offer AP or Honors classes. What makes a Waldorf Education unique is the way in which the curriculum is delivered. Students take short intensives blocks in core subjects every year. This fosters a cognitive development by revisiting core academic themes from year to year, unfolding progressive layers of complexity as the students mature. Students are rigorously challenged at every level. Our science curriculum emphasizes an experiential learning process known as phenomenological observation. Students actively engage in experiments and come to conclusions through their own thinking, verifying what can be found in textbooks. This approach allows our students exposure to both fundamental and advanced topics with deeper understanding from integration of experience and thinking. English and history courses expose them to the classics and original historical texts in place of standard textbooks.

COVID 19

In March of 2019, the Waldorf School of Orange County transitioned into completely remote instruction. Our faculty were successful in continuing to deliver a rigorous education. However, some students found the transition from in person to online learning challenging. In line with many high schools and colleges in our area, we offered our students the option to select Credit or No Credit instead of a grade. A grade of C or above = Credit and C- or below = No Credit.
